Ionian Island Properties is a construction Company that operates on the island of Zakynthos. We have served the market for over six years building homes to the highest standard.

Property in Greece has been and still is a dream for everyone who visits this amazing Country. Especially the Greek Islands are the centre of attention of most visitors. Zakynthos as one of the Ionian Islands is a very popular destination for hundreds of thousands of visitors each year.

Many of which decide to acquire some property either as permanent residence, a vacation home or as an investment.

The real estate market grows rapidly in Greece. Real estate investments enjoy one of the highest rates of return on investment.

It is not unusual for a house or villa to be sold within 3 to 5 years after being build for as much as 30% to 50% more than its original market value and even more than its construction cost.

As a residence your property will fill your every day with joy.
As an investment you will enjoy one of the highest returns on investment since the demand for property on the Island continues to grow at an accelerated pace for the last five years.
Bank financing advice available.

These options are available while the complex is still under construction.
